MEMORANDUM FOR: Comptroller

FROM : John N. McMahon
Acting Deputy Director for Administration

SUBJECT : FY 1976 Unobligated Funds -
Telemetry Analysis Display System (TADS)

There are a number of contractors replying to the Request for Proposal (RFP) for the TADS Program. These replies will have to be evaluated and a contractor selected before the contract can be awarded. With the limited time remaining in FY 1976, it is a distinct possibility that this contract will not be awarded before 30 June 1976 and FY 1976 TADS funds will remain unobligated. Should this occur, it is requested that these unobligated funds be held in reserve and allotted to the DD/A during the Transition Quarter to cover the TADS contract when it is awarded.
